PART#: **751072911**

MFG: **Ford**

MODELS & YEARS:

Fiesta 2011-2013

** ADVISEMENT **

Read instructions completely prior to starting installation. All InDash Mounts are designed so that after installation, phone is facing normal driver position for left-hand drive vehicles. This mount is not designed to be used in foreign countries with right-hand drive vehicles. Use extreme care when working around the plastic components on the dash. Excess force, can cause breakage of the plastic components.

STEP #1: With Dash tool remove the top bezel that surrounds the display. Lift from the front, and continue on the sides to back on sides to release a total of (6) clips. Lift off and set aside.

STEP #2: With 9/32 (7mm) driver remove the (4) screws on top of radio. (horizontal and vertical)

STEP #3: Begin to pull off radio, buttons, and air vent bezel from the bottom (2) clips, and continue to release (4) more clips. (2) top and (2) bottom of air vent sides/corners.

STEP #4: Place mount on right side of dash cavity to right of passenger air bag off light, to fit in angle of dash. Install (2) supplied needle point screws.

STEP #5: Replace bezels in reverse order. You will need to push the top bezel in all at once.

INSTALLATION IS NOW COMPLETE. ENJOY YOUR NEW INDASH by PANAVISE MOUNT.
